Alpha Omega Pack Factory, is an ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certified leading manufacturer of plastic and packaging solutions in the GCC region. Established in 1998, the company has grown from humble beginnings to become a leading name in the industry, recognized for its unwavering commitment to quality, innovation, and sustainability.

Operating out of a highly advanced facility in Umm Al Quwain, United Arab Emirates, Alpha Omega Pack Factory provides a wide range of high-quality products to more than 700 clients across the Middle East and Africa, making a significant impact in the region's packaging industry.

The company marked a significant milestone in its international growth by establishing its first offshore office in the UK in 2024 to serve a wider market.

We are amongst the few manufacturers with ECAS Oxo-biodegradable certified products, fully complying with UAE Standard S. 5009:2009 - reflecting our dedication towards reducing the environmental impact of plastic waste. Certified to the HACCP CAC/RCP 1-1969 standard, our company ensures the highest level of food safety and quality management. Our Aluminum Food Containers are SGS-certified, ensuring full compliance with the European Commission Regulation (EU) 2020/1245 standard for food-grade safety.

We cater to diverse industries, including logistics, hospitality, catering, cleaning, and government sectors. The company also provides white labeling services, allowing clients to customize and brand products according to their specific requirements. Our custom solutions and prompt, reliable service have earned us a reputation for excellence and customer satisfaction.

## Cling Film Rolls

Alpha Omega Pack Factory's Cling Film Rolls are high-quality, food-grade solutions designed for preserving freshness and protecting food. Available in 30 cm, 45 cm sizes; and in Retail Packs, Commercial Rolls, and Jumbo Rolls, these films offer superior elasticity, enhanced stickiness, clean rewinding, and are odor-free, ensuring optimal performance in both industrial and household applications.

We also offer white labeling services, allowing clients to customize and brand products according to their specific requirements.
